3.2 You are required to notify us if you no longer meet the residency requirement.

- 4.2 Each Bond will have a term of 1, 2, or 3 years. The term will be clearly stated on the bond certificate, which will be issued digitally within 14 days of receiving your funds. Hardcopy certificates are available upon request only.
- 4.3 Each Bond term offers a fixed return based on an annual rate of 4.25% to 5.55%. Returns can be paid quarterly, annually or compounded.
- 4.4 The minimum single lump sum investment is £10,000, and the maximum single lump sum investment is £2,000,000 unless prior authorization has been obtained.
- 4.5 Unless stated otherwise in these Terms and Conditions, the Bonds have a fixed term ranging from one to three years ('Term') from the date we receive your final payment into the plan. Early withdrawals are subject to a flat-rate fee of 0.5%.
- 4.6 We may request evidence of exceptional circumstances, including confirmation from a third-party medical adviser or other professionals.
- 4.7 If allowed to withdraw before the end of the term, we will repay the investment amount in the Bond along with proportionate returns calculated by us, accounting for the period the Bond has been held.

5. Type Of Investment

- 5.1 **Investment Approach:** Your savings bond offers a guaranteed return, providing you with certainty and peace of mind throughout the investment term.
- 5.2 **Allocation of Funds:** While your investment in the savings bond is backed by the Financial Services Compensation Scheme, ensuring the safety of your principal amount, behind the scenes, we leverage a diversified approach to generate strong returns. The funds raised from our valued clients are strategically invested across a range of low-risk fixed-income instruments, including government bonds, corporate bonds, and other financial assets. Additionally, our team actively seeks out opportunities in the market to optimize returns while maintaining the utmost safety and security for your investment.
- 5.3 **Objectives of Investment Allocation:** Our investment strategy for the savings bond remains simple:
 - 5.3.1 **Preserve Capital:** We prioritize the safety of your investment by selecting low-risk assets that aim to protect your principal amount.
 - 5.3.2 **Generate Guaranteed Returns:** The savings bond offers a fixed interest rate throughout the term, providing you with predictable and reliable income.

6. Holding The Bond

- 6.1 Each Bond must remain in your ownership, prohibiting its sale, use as loan collateral, or transfer of interest in any form.
- 6.2 Each Bond can be held by a maximum of two individuals. Joint holders must individually meet the eligibility conditions stated in section 3.

7. Cancellation

- 7.1 Upon acceptance of your application and receipt of your investment amount by us, you will receive a notice from us explaining your right to cancel your investment in the Bond. You may cancel the Bond by providing us notice within 14 days of your payment being received.

- 8.2 Upon maturity, the compounded return, along with the return of the invested amount, will be paid to you.

9. Tax Considerations

Interest earned on your Fixed Rate Bond is paid gross, with no tax deducted at source. Tax treatment depends on your personal circumstances and residency status. UK residents should consider their Personal Savings Allowance and may need to report interest income to HMRC. Non-UK residents should check tax obligations in their country. The bond may form part of your estate for inheritance tax purposes. If held in trust, additional tax rules may apply. We recommend consulting a qualified tax adviser for advice tailored to your situation.

10. What Happens If I Die?

In the event of your death during the term of the Fixed Rate Bond, the bond will form part of your estate. We will require a certified copy of the death certificate along with either probate or a grant of representation before we can take further action.

- **Single Account Holders:** The bond will be closed, and the capital plus any accrued interest up to the date of death will be paid to your estate or directly to your named beneficiaries, subject to receiving the required legal documentation. Early closure in such cases will not result in any penalty.
- **Joint Account Holders:** If the bond is held in joint names, ownership will automatically pass to the surviving account holder unless stated otherwise. The surviving holder may choose to keep the bond until maturity or request early closure without penalty.

Please note that the value of the bond may be subject to Inheritance Tax depending on the overall value of your estate. We recommend seeking independent legal or tax advice to understand how this may apply in your personal circumstances.

11. Communication Between Us

- 11.1 We will primarily communicate with you via email. In cases where we have your telephone details, we may engage in recorded telephone conversations to discuss matters related to your Bond when deemed necessary.
